Build Systems

.copyright[ ** [Pat Pannuto](#) / Marcus Darden **]

Q: What is a Build System?

???

- AKA: Build Automation Software
- Script/automate compilation

–

Q: Who has used a one?

???

- Everyone in 280 and beyond
-

Make, the Grandbinary of them all

- Automate compiling and linking
- Easily repeat long/complex commands
- Eliminate unnecessary work

???

- Stuart Feldman, 1976, Bell Labs
- Replaced shell scripts commonly used
